

Out-of-District Student Transfer Guidelines 2026-2027

Indiana Code 20-26-11-32 requires school districts to determine the capacity to accept out-of-district transfer students on an annual basis. To comply with this legislation, Southwestern Consolidated School District of Shelby County

- will accept a limited number of out-of-district transfer applications for students entering preschool through grade 12 for the 2026-2027 school year based on capacity of each grade level. The deadline for Transfer Requests is September 1 for students enrolling in the 1st semester and January 20 for students enrolling in the second semester.
- will continue to accept all applications from out-of-district transfer students entering any grade who were accepted and attended Southwestern during the 2025-2026 school year, their siblings, and employees' children, as permitted by law.
